I am not sure if 30 minutes will be enough for this conversation, and it looks like Luke has a hard stop at 5pm. I cancelled my 4pm, if that helps.

Thanks Karen. I have time during this window.

Luke - any chance you could move your call at 4:30 eastern to discuss this? It looks like Kellie could also join us during this time slot.

I'm free from 3:30-5. If that window doesn't work, I can move other meetings around and offer more times.

Karen – I took a look at your calendar and I'm having a hard time finding a time today when we are both available. Do you have any flexibility in your schedule today? I think it would be helpful for us to talk.
